

# Review or update your beneficiary in the State of Florida Deferred Compensation Plan.

You may have designated your beneficiary in the State of Florida Deferred Compensation Plan when you first enrolled or a long time ago. Now may be a good time to review and make any updates as necessary to your elections.

Consider taking these steps to help plan for the future:

	<ul style="list-style-type: none"><li>• Designate a beneficiary: The beneficiary can be any individual, trust or estate – and you can name one person, several people or a combination of people and entities.</li></ul>
	<ul style="list-style-type: none"><li>• Keep your beneficiary designation current: Update it when there's a major change in your life – such as a marriage, new child, divorce or death.</li></ul>
	<ul style="list-style-type: none"><li>• Protect your family and your preferences today. It takes just a few minutes – so don't delay!</li></ul>

Designate or update your beneficiary using the [Participant Action Form](#).

After completing the Participant Action Form, please send a copy to:
